CUSTOMER TIPS FOR DISPUTED ITEMS

Many times disputed charges are legitimate charges that customers may not recognize or remember. Before disputing a charge, we recommend that you verify a few things and make every effort to resolve the dispute with the merchant.

• Has a credit posted to your account?

Please allow up to 30 days from the date on your credit voucher or acknowledgement letter for the merchant credit to post.

• Is the charge or amount unfamiliar?

Check with other persons authorized to use the account to make sure they did not make the charge. It is possible that the merchants' billing names and store names are different or amounts can easily be confused with similar charges or include tips.

One way to check for the credits or to view transaction details is to look at your account statements online. If you are not enrolled in Online Banking, it is easy to enroll using the web address on the front of your statement or give us a call.

Please remember: Once you receive your statement with a transaction you wish to dispute, you only have 60 days to dispute the charge.

ONLINE

Online Banking is available 24 hours a day, 7 days a week and allows you to view the most recent activity on your account.

PHONE

1.866.266.0212

For prompt service, please have the merchant reference number(s) available for the charge(s) in question.

MAIL

Attn: Billing Inquiries PO Box 15026, Wilmington, DE 19850-5026

When writing, please include Your Name, Account Number, the reference number of the disputed item and specific details regarding your dispute, including dates of contact with the merchant and the merchant's response in each instance. Please include all supporting documentation, including sales and credit vouchers, contract and postage return receipts as proof of any returns.

GRACE PERIOD/PAYING INTEREST

"Grace Period" means the period of time during a billing cycle when you will not accrue interest on certain transactions or balances. There is no Grace Period for Balance Transfers or Cash Advances; we begin charging interest on Balance Transfers and Cash Advances on the transaction date.

CALCULATION OF BALANCES SUBJECT TO INTEREST RATE

Average Balance Method (including new Balance Transfers and new Cash Advances):

We calculate separate Balances Subject to an Interest Rate for Balance Transfers, Cash Advances, and for each Promotional Offer balance consisting of Balance Transfers or Cash Advances. We do this by: (1) calculating a daily balance for each day in this statement's billing cycle; (2) calculating a daily balance for each day prior to this statement's billing cycle that had a "Pre-Cycle balance" - a Pre-Cycle balance is a Balance Transfer or a Cash Advance with a transaction date prior to this statement's billing cycle but with a posting date within this statement's billing cycle; (3) adding all the daily balances together; and (4) dividing the sum of the daily balances by the number of days in this statement's billing cycle.

To calculate the daily balance for each day in this statement's billing cycle, we take the beginning balance, add an amount equal to the applicable Daily Periodic Rate multiplied by the previous day's daily balance, add new Balance Transfers, new Cash Advances and Transaction Fees, and subtract applicable payments and credits. If any daily balance is less than zero we treat it as zero.

To calculate a daily balance for each day prior to this statement's billing cycle that had a Pre-Cycle balance, we take the beginning balance attributable solely to Pre-Cycle balance (which will be zero on the transaction date of the first Pre-Cycle balance), add an amount equal to the applicable Daily Periodic Rate multiplied by the previous day's daily balance, and add only the applicable Pre-Cycle balances, and their related Transaction Fees. We exclude from this calculation all transactions posted in previous billing cycles.

Average Daily Balance Method (including new Purchases):

We calculate separate Balances Subject to an Interest Rate for Purchases and for each Promotional Offer balance consisting of Purchases. We do this by: (1) calculating a daily balance for each day in the billing cycle; (2) adding all the daily balances together; and (3) dividing the sum of the daily balances by the number of days in the billing cycle.

To calculate the daily balance for each day in this statement's billing cycle, we take the beginning balance, add an amount equal to the applicable Daily Periodic Rate multiplied by the previous day's daily balance, add new Purchases, new Account Fees, and new Transaction Fees, and subtract applicable payments and credits. If any daily balance is

PAYMENTS

We credit mailed payments as of the date received, if the payment is: (1) received by 5 p.m. local time at the address shown on the remittance slip on the front of your monthly statement; (2) paid with a check drawn in U.S. dollars on a U.S. financial institution or a U.S. dollar money order; and (3) sent in the return envelope with only the remittance portion of your statement accompanying it.

No payment shall operate as an accord and satisfaction without the prior written approval of one of our Senior Officers.

We process most payment checks electronically by using the information found on your check. Each check authorizes us to create a one-time electronic funds transfer (or process it as a check or paper draft). Funds may be withdrawn from your account as soon as the same day we receive your payment.

If you have authorized us to pay your credit card bill automatically from your savings or checking account with us, you can stop the payment on any amount you think is wrong. To stop payment, your letter must reach us at least three business days before the automatic payment is scheduled to occur.

less than zero we treat it as zero.

We include the fees for credit card debt cancellation or credit insurance purchased through us in calculating the beginning balance for the first day of the billing cycle after the billing cycle in which such fees are billed.

TOTAL INTEREST CHARGE COMPUTATION

Interest Charges accrue and are compounded on a daily basis. To determine the Interest Charges we multiply each Balance Subject to Interest Rate by its applicable Daily Periodic Rate and that result by the number of days in the billing cycle. To determine the total Interest Charge for the billing cycle, we add the Periodic Rate Interest Charges together. A Daily Periodic Rate is calculated by dividing an Annual Percentage Rate by 365.

HOW WE ALLOCATE YOUR PAYMENTS

If your account has balances with different APRs, we will allocate the amount of your payment equal to the Total Minimum Payment Due to the lowest APR balances first (including transactions made after this statement). Payment amounts in excess of your Total Minimum Payment Due will be applied to balances with higher APRs before balances with lower APRs.

IMPORTANT INFORMATION ABOUT PAYMENTS BY PHONE

When using the optional Pay-by-Phone service, you authorize us to initiate an electronic payment from your account at the financial institution you designate. You must authorize the amount and timing of each payment. For your protection, we will ask for security information. A fee may apply for expedited service. To cancel, call us before the scheduled payment date. Same-day payments cannot be edited or canceled.
